

1957 Chris Craft Continental Boat and Trailer (4800 USD)

Location **Minnesota**
<https://www.genclassifieds.com/x-526215-z>

WILL TAKE BEST OFFER! I purchased this boat in 2006 and have verified the boat and its parts with the Newport News, VA Maritime Museum. I started to remodel the boat but can not continue on with it. Interior boards removed and marked for replacement. The trailer is included. All parts are original EXCEPT the windshield. All serial numbers have been verified. Boat is non-operational as wiring has been disconnected.

1. Motor - V6 - KFL - Engine was overhauled in 1996. Original. Motor does turn.
 2. Seats - Originally Tango Red - Now grey and black done by previous owner.
 3. Wood - Some exterior blanks need replacing. Ribs/struts are in great shape.
 4. Trailer - Needs painting. New spare tire plus 2 tires were replaced on trailer.
- This is truly a "project" Chris Craft boat with good structure. Must.
