This clean, desirable, private entrance, non-smoking, end unit sleeps four and provides WIFI, cable TV, full size washer and dryer, granite countertops, queen bed and double sleep sofa.

Located a half mile from the pier on East Grand Avenue in a small quiet twelve unit complex. Far enough away from the crowds but close enough to walk to the pier. You will be staying on the most flat area of the beach where playing bocce ball, walking, biking, jogging, or just lying on the white sandy beach is most comfortable. Enjoy the amusement park, rides, live musical entertainment, festivals, and fireworks every Thursday.

While you may just want to relax and enjoy the largest beach in the State of Maine, the area at large is romantic and rich with history. A few of the attractions and activities are exploring islands off the coast, the cuisine of Portland's Old Port, finding treasure in shops along the cobblestone streets, picnic at the many light houses, horseback riding, sailing, parasailing, kayaking, deep sea fishing, whale watching, cycling, antiquing, bird watching, or you might enjoy taking the Downeaster train to Boston for the day or the Nova Star Ferry from Portland to Nova Scotia, Canada. Shopping outlets are nearby in Freeport and Kittery.
