My name is Tiffany and I have a Licensed Daycare with a full time assistant in my Edwardsville home. I offer breakfast, lunch, 2 snacks and milk. For infants I offer formula and rice/oatmeal cereal. My hours are 7-5:30 Monday - Friday. My program also includes a theme based curriculum that's fun for all ages. I currently have 2 part time spots and will have a full time spot on July 6th. Please call or email for additional information. References.
