

Effect Graphics specializes in Creative Design, Professional Branding and Web Development. Each project is unique and we carefully brainstorm different ideas to find the best solution to fit each individual project. We always design with this in mind "Design is not just what it looks like and feels like. Design is how it WORKS." - S. Jobs

---- Web Design, Website, Web Development, Website Design Mature My name is John Chatterton and I completed my BM in Music Performance and BM in Music Composition with a concentration in Cello. I have almost ten years of Pedagogical experience (5 Collegiate). This includes my teaching the Sayville Summer Strings Program for children of all ages. My main focus is cello but I am highly qualified to teach beginner-intermediate Violin, Viola and Bass. I am currently living in Sayville, NY and will be here the

entire Summer before continuing on to my Masters Degree in Tampa, Florida in the Fall. I charge \$30.00 per hour and 15.00 per hour, and I teach each other on my time. If I am asked to travel, I charge slightly depending on the distance I have to travel and I perform many of the music and dance lessons and arrange for the music, so that I can well teach and open to many new in teaching. I am a Galaxy Consulting, we help businesses in a variety of industries and sizes to get their information assets organized and under control so that they could work more efficiently, more productively and, as a result, more profitably.
