I am looking for someone to take over my lease at The Ave. It is apart of a 4 bedroom apartment but only one other room is occupied (by a really nice and clean female roommate). The apartment is just one year old and the room/apartment is fully furnished with a private bathroom! The lease goes until May 2016 and the rent is \$535 plus utilities (really cheap!). I am willing to cover the first months rent (i.e. if you move in mid July I won't hold you accountable for the portion of the July rent). You can move in as soon as July 7th!! Feel free to email me with any questions. Pictures of the rooms and complex can be found at [www.avenorman](http://www.avenorman)
