

New CharBroil Grill (125 USD)

Location **Pennsylvania**
<https://www.genclassifieds.com/x-526962-z>

This grill is great and is infrared/electric and makes food perfect. This is ideal for apartment living or infrared/electric lovers. I purchased a larger grill so that's why this is up for sale. This grill isn't even a year old and looks great anywhere.

As a bonus the grill comes with a full sized cover for free. Please send an email if.
