Custom subwoofer enclosures of any size and type available.

Instead of ending up disappointed by the pre-made boxes offered at local stereo shops, get a custom built enclosure tailored to your taste in music and your vehicle space requirements. From small, sealed enclosures using one subwoofer, to ported, braced, multiple sub boxes and walls, your options are unlimited. What many people don't realize is that the proper enclosure is key to having a great sounding stereo.

Pricing is variable depending on materials needed and time, but guaranteed the cheapest you will find anywhere in town.

Services offered:

Deck installs from 35.00
 Speaker installs from 25.00
