Wlse Wireless is a distributor for Access Wireless in the state of Wisconsin. We are in search of 15 confident, professional and motivated sales reps to distribute free lifeline phone services within your community. This is a federal program sponsored by the Universal Service Fund providing a free cell phone to qualified applicants. Agents are responsible for providing each applicant with all necessary product information and assisting qualified applicants with the application process. You will be expected to identify and set-up in or around community organizations, public service buildings, low income housing areas, government buildings, community centers, homeless shelters, and grocery stores.

### ENROLLMENT PROCESS:

Agents will perform face-to-face applicant qualification screening on location, through our online agent web app. Agents will assist the applicant by entering information into the web app and taking a picture of the Applicants Photo ID and Program Documentation (Federal Housing, Medicaid Card, Food Stamp Card etc.). Once the images are captured and the form completed, agent then activates applicants phone for use. THE PHONE IS ISSUED INSTANTLY AND READY TO BE USED.
