WE'RE HIRING

Are you good at reviewing stories?

Do you have a keen eye for detail?

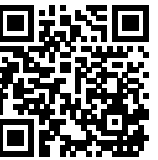

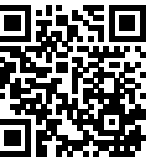

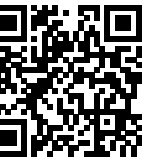

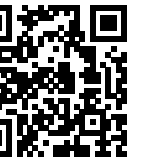

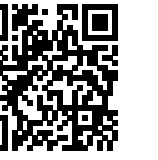

Are you able to prepare reports and get things done on a deadline?

Do you have a degree in Writing or Literature?

We are hiring critiquers. You must have a background in storytelling! Knowledge of the components of a good story is a must! A degree in Writing or Literature is preferred, but we will consider verifiable experience.

Please email us your resume, and a cover letter detailing your work in the field and any works completed.

Resumes without cover letters will not be.
