

# Preschool Curriculum Fun Activities Licensed Healthy Meals (South Forth Worth Garden Acres)

Location **Texas**  
<https://www.genclassifieds.com/x-527112-z>

Hello Everyone!

Are you looking for a school that does more then just "watches" your child? If the answer is yes, you should come take a tour of our home based childcare center!

We will be open for spring break!

At L.F.L.C. we provide a fun, safe, loving and educationally enriching atmosphere for children ages 6wks-5yrs. Having children of our own, we know how important it is to know that they are being protected and affectionately cared for while providing a living for them. We also know how important it is to make sure that they are given the opportunity to learn and discover potential through fun learning experiences. We are an in-home licensed with the state of Texas childcare facility. Leaping Forward Learning Center holds all of state required training including CPR and First-AID. We also offer healthy meals through a USDA state food program through out the week. Most children in our care will graduate from our facility knowing more than the basics upon school entry.
