

Data Collection Associate 171858 (Vernal, UT)

Location

Utah

<https://www.genclassifieds.com/x-527427-z>

This position is only in Vernal UT, must live in or around this city to apply.

The Associate is responsible for collecting and transmitting data gathered from designated retail stores, as a DCA collector, primarily using a hand-held scanning device. Take direction from the Supervisor and other management individuals. Responsible for meeting defined standards of work volume, quality, accuracy, completeness, and timeliness. Monday through Friday work and you create your own schedule. No background check or Drug screen required. Some merchandising and inventory experience is a plus. Feel free to contact me at if you would like to know more.
