Good day!

Treat yourself with a professional Relaxing Swedish massage. My special massage is a whole body massage that allows the body to absorb more oxygen, thereby rejuvenating the body, relaxing the muscles and the mind, removing toxins and tension. I can also incorporate ASMR work into massage session if desired (soft, relaxing conversation) for a better emotional and physical healing.

For your session I will bring everything needed for a massage, including a natural high quality non-allergic fragrance free oil, relaxing music and aroma therapy if you like. I bring the massage table. I am always on time.

Session Times: 1 Hour session outcall- 89 \$, 90 mins outcall- 129 \$.

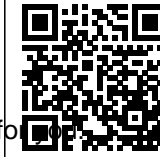

In-call location carries extra 20 \$ therapy studio rental fee. The building is located in a beautiful downtown location, parking available with meter. When scheduling an appointment please let me know, if you are looking outcall or in-call. Schedule in advance to assure I am available at your desired time and day. Thank you.

Cash or Checks accepted.

Ask about the discount on weekends!

Massage available in the In-call location please let me know if you are interested. I am available from 10 a.m. to 10 p.m. Please schedule in advance to secure a time that works best for you. Thank you.

As well I am a certified Health & Lifestyle Coach Certified by Institute for Integrative Nutrition. When was the last time you talked with someone about your health and received the personal attention you deserve? Many people don't realize that the road to wellness can be easily obtained with the right health coach.
