

My name is Brian, and I work for a company that creates videos for businesses across the country. We have an upcoming shoot in Gillette, WY and I need a videographer based within 50 miles or less from the shoot location with some experience to cover it for us. We supply the storyboard, you grab the shots and mail in/upload the footage in to us, and we do the editing. It will be mainly gathering B-Roll and audio, possibly some testimonials.

- HD camera
- Tripod (Fluid head is best)
- Lav mic
- Basic light kit would be a plus

- \$135.00 for a 2 hour shoot (\$202.50 for a 3 hour)
- We reimburse for the cost of media (Data DVDs)
