Hello,

My name is Brian, and I work for a company that creates videos for businesses across the country. We have an upcoming shoot in Rupert, ID and I need a videographer based within 50 miles or less from the shoot location with some experience to cover it for us. We supply the storyboard, you grab the shots and mail in/upload the footage in to us, and we do the editing. It will be mainly gathering B-Roll and audio, possibly some testimonials.

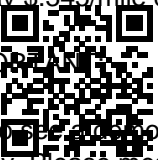

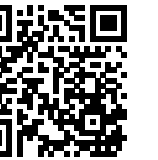

You need to have:

- HD camera
- Tripod (Fluid head is best)
- Lav mic
- Basic light kit would be a plus

What we pay:

- \$135.00 for a 2 hour shoot (\$202.50 for a 3 hour)
- We reimburse for the cost of media (Data DVDs)
- We pay \$.345/mile driven

IMPOSSIBLE to reel. If you have one, please take the job seriously. Please message me with your equipment list, contact info. (phone number and email address) and a link to your demo reel. do NOT contact me with unsolicited services or offers.
