BestNewBands.com, the online home for live reviews, album reviews, interviews and more, of top emerging music artists, is looking to expand its editorial staff in Nashville.??

We have two types of positions open.??

Freelance Writers are responsible for a minimum of two posts every week and are paid a modest amount.??

Contributors are responsible for a minimum of one post every two weeks. Contributors are not compensated.??

The posts should be a minimum of 500 words and be a combination of text, photos, and embedded music and/or video. We're looking for concert and album reviews, interviews and features for pre-approved emerging bands and artists.

?Applicants must have experience writing for either a print outlet (magazine or newspaper) and/or a website. Internships do qualify as experience, as long as you had original content published.

Experience photographing live music is a plus.??

We prefer that our writers be over 21, since so many of the shows we cover happen in 21+ venues.??

We help our writers and contributors get on the guest list for shows and arrange interviews with artists. All of our writers and contributors receive a byline on each post and a profile on our site, with a link to your personal website.

If you are interested in joining our rapidly growing site, please send us a resume, a cover letter that explains why you would be a great fit for us and a link to your portfolio (if applicable), and a few writing samples (if preferred).

Be sure to send everything to: [Writers@BestNewBands\(dot\)com](mailto:Writers@BestNewBands(dot)com). Applications should be formatted as word documents or PDFs. Any application not submitted in the requested format will not be considered.
