

# CLEANING COMPANY IS HIRING (NASHVILLE)

Location **Tennessee**  
<https://www.genclassifieds.com/x-527816-z>

We are offering very part time work, hours vary.

You will be in homes that are on a recurring schedule in which you will have to interact with the tenants and also homes that are vacant where no tenants will be present.

We are looking for people who deep clean. You must understand that this type of cleaning often takes a long amount of time, can be uncomfortable, requires you to think outside of the box to provide a truly wholesome clean, not just a superficial clean. You will sweat at times, you will have to move at a quick pace at times, and you will get dirty at times.

You must have your own transportation and be able to travel among at least 3 counties.  
You must be able to furnish and verify that you have auto insurance and that it is current each month.

Adhere to a dress code. Carry yourself in a professional manner.

If you are interested, please send an email that is coherent and details your location ( area of town you reside, prior work experience, you may even send a picture, if you wish. )

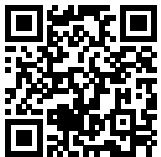

Please be advised that the work is very part time, so you may be called once a week or once a month.

As we grow, your assignments will increase. We are looking for dedicated individuals willing to grow with the company. We will be conducting background checks this month, so if you are interested, do apply now.
