Brand NEW SEDONA LACE: TRAVEL 12-PIECE SYNTHETIC PROFESSIONAL MAKEUP Brush Set
 12 High Quality Makeup Brushes
 1 Black Zippered Case

Sedona Lace's 12-piece set is crafted from incredibly soft state-of-the-art synthetic bristles and is now travel sized. It is an animal-friendly line that works equally as well as natural-haired brushes. The pink and black colors on the bristles is a registered trademark of Sedona Lace. This set is identical to its larger counterpart with the exception of its noticeably smaller brush handles, crafted for optimal portability. The shorter handles allow for more precision in application and blending.
