Hello, I am looking to recruit licensed plumbers to take on retail installations of Water Heaters/Softeners/water treatment systems, the Description/Requirements are

- * License to install water heaters in state NC
- * Insurance
- * Must have a professional appearance
- * Box truck or van
- * Ability to install products on same day as purchase
- * Pass back-ground check
- * Clean drivers record

We provide leads from a local retailer and offer professional service for install of water heaters. Our office accepts the orders and verifies the appointment you just need to show up and do the installation. Email us for more details.

We will contact those who respond with their company name, contact information, and confirmation of meeting these simple requirements. Thank you.
