

Looking for someone to install fencing (Bradford)

Location Vermont https://www.genclassifieds.com/x-527922-z

We are looking for someone to install chain link fencing at our home in Bradford, VT asap, we will purchase all of the fencing and anything else needed to do the job, we had a house fire in February and we will be moving back around mid July and we have a puppy that we need to secure in the yard, if you are interested and have an idea of what you are doing we welcome you to come and discuss the job with us, I am not sure how long it will take but it shouldn't be that long, the fencing is going in somewhat of a straight line. If interested and can get it done asap please contact us to discuss, Please keep in mind that we need this to protect our precious dogs so if you don't know how to do it please don't reply. We can discuss pay at the time. Thanks for looking and we hope to hear from you.
