

# Monitor Luxury Event Restroom Trailer (BTV and surrounding)

Location

Vermont

<https://www.genclassifieds.com/x-527925-z>

We are looking for part-time or just occasional help (but part-time would be preferred). Most events are on Saturdays around the state. Duties includes, coordinating with on-site event contact (wedding planner, maid-of-honor, site manager, stocking restroom with towels, courtesy baskets, turning on air conditioning and monitoring, turning on stereo and adjusting volume, ensuring the supplies are stocked and the restroom is clean throughout the event. These are very high end bathrooms and are pristine at the start of the event and we need them to be that way for the duration of the event. However, you are not IN the restroom (as shown in the movies in fancy restaurants) but rather in and out intermittently to maintain. Must have solid customer service skills, be very reliable, own transportation, and not be afraid to clean a toilet (even though that is a small percentage of the job duties). Pay between \$17-\$21/hour. Shifts last between 8 to 12 hours. Please email for more info. Possible job opportunity this Saturday 6/27 in the Burlington area. Thank.
