Hello!

I am currently a stay at home mom looking to start offering childcare in my home .I am starting my daycare because I have a genuine love of children & enjoy seeing them reach their full potential. As a parent I understand that it can take a lot of time & effort to find a perfect match to care for your child. A safe & comfortable environment, a nurturing & experienced provider, fun learning, healthy meals, centralized location and flexible hours are just a few of the qualities within my home. You can rest assured that your childcare needs will be met. I am working on obtaining my license and CPR/First Aid Certification, however I do not plan on taking the maximum amount of children I am allowed. I feel it is very important for kids to feel like they are a true part of our family and are receiving the personal attention they deserve. For this reason, I will only be accepting 2-3 kids at a time.

Please contact me if you have any questions. I look forward to meeting you & your family!
