My name is Lynn, and I'm the owner and pet sitter of Pets 'n Pajamas Overnight Sitting. I focus on overnight stays, where I'm with your pet in your home for at least 15 hours a day or more, depending on your needs. This includes meals, walks, play sessions, cuddles, sleep over, and any other activities that are part of your pet's routine. My rates for overnight stays range from \$60 - \$75 a night, depending on location and number of pets (see details below). In addition to dogs and cats, I also have experience with snakes, lizards, birds, rabbits and tarantulas.

Special needs pets are my favorites. If you have a dog or cat who is shy, skittish, on a special diet, or in need of very particular care by someone who can follow detailed instructions, this is where I excel. I've worked as a vet tech, and I've also done home care for chronic and critically ill cats, so I'm comfortable with medical procedures like pilling, subcutaneous fluids, shots, blood sugar checks, and assist/syringe feeding.

My goal is for you to relax and enjoy your trip, and for your pet to feel comfortable and loved while you are gone. I can provide multiple references to confirm that I'm a conscientious, reliable, and caring pet sitter. I am fully insured and have a background check available on request.
