Im a single black professional 30 year old male who has a 2 bed 2 bath apartment in Stone Mountain, only 20 minutes from downtown and on the bus line. Im bisexual and 420 friendly and looking for someone who is ok with both. You can be male or female doesn't matter to me. Im laid back, responsible and a private person, however I am open to renting my 2nd bedroom for 6 months to someone who is also financially responsible and needing a place asap. The rent is \$500 which includes utilities, cable, Internet and washer and dryer. Ideally a person who is cool to be around, laid back, and trustworthy is what im looking for. Move in as soon as possible. Contact me for more.
