Up and coming film producer casting for a cute, bubbly female part in a short film. No nudity required but you must have a good figure. We are going to be very selective for this roll. Should be less than 4 hours of prep and shooting combined.

Ages 18-24 will consider up to 26 if everything else is a great fit.

Experience not mandatory but preferred.

\$500 but will go a bit higher if you can make us laugh and are 100% committed to getting it perfect.

Must send at least two head shots, one full body front, one side and preferably a rear.

Absolutely no nudity required but be certain we can see your figure from all sides. Don't waste our time and we will try not to waste yours.

A plus if you can sing at all.

Shooting on the 15th 2pm in Fayetteville.

We look forward to finding the woman with our IT factor.
