If you are in need of a babysitter, I am going to start babysitting for only \$30 a day. I will be accepting emergency drop ins for \$40 as well. If you have more than 1 kid it will be an extra \$15 a day. I am right off the Glenn Highway at the North Peter's Creek exit. There is a big grassy play area in the front yard with a play structure. If you need any information, please feel free to message me. A little information about me: I am 23. I have a 3 year old daughter. I love taking care of.
