

Yamaha 400 Kodiak 4x4 (2200 USD)

Location **Arkansas**

Early 2000's model.
 Fully automatic, high and low range.
 Push button 4x4 or 2x4.
 Runs great.
 Good tires.
 Good brakes.
 Good battery.
 Just changed the oil and filter, and replaced a cv boot. It is ready to ride.
 No smoke, no leaks. Nothing bent, broken, or cracked. Everything works correctly. The plastic is faded green typical of a Yamaha. This is my Fathers it was used on a farm going back and forth. He probably hasn't had it much over 20mph more than a couple times in the last few years.
 \$2200. Not interested in trades or low balls. Not going to negotiate except in person.
