Hello, and thanks for stopping by. Licensed for 16 years, and still love my chosen career as a childcare professional. Your child will enjoy playing outside for physical exercise, making crafts to proudly bring home to you, learning about our monthly themes and curriculum, music appreciation, toilet skills, manners, social and language skills, story time, yummy meals/snacks, nurturing, loving environment, and good friends to learn and play with. Please contact me, so we can arrange a time for you to come and see where all the fun is waiting for your child. Thank.
