Driving from San Francisco to Los Angeles this Friday afternoon 5/26 around 1PM. Taking a rental car (corolla or similar). Heading back to SF Sunday afternoon if you need a return ride,

About myself, I'm a student at CSULB. I'm open to any type of music and plan around 3 rest stops for the 6.5 hour drive on I-5. I'm a safe driver and take this trip frequently going back and forth from school to home.

Asking \$30/person. Can pick up close to Sunset district and drop off anywhere on the way to Cerritos. Email preferred. Let me know if you're interested and a little about yourself.!
