Forte International Exchange Association (FIEA), a highly respected non-profit high school organization is currently looking for volunteer American families to host a high school exchange student from 20 countries for the upcoming school year. These personable & academically select exchange students speak English, are very bright, curious & eager to learn about our country through living with families & attending local high schools. The students acquire an understanding of American values & build on leadership skills.

The exchange students, ages 15 - 17 years old arrive from their home countries shortly before school starts & return home at the end of the school year. Each Forte International Education Association student is fully insured, brings his or her own personal spending money & expects to bear his or her own share of household responsibilities as well as being included in normal family activities & lifestyles. Students are excited to learn your culture while sharing theirs with you.

To become a host family for any of our students, or to find out more about Forte International Exchange Association, please contact us by calling or by visiting our website, www.forteexchange.org. Forte International Exchange Association looks forward to welcoming you to the ranks of host families nationwide contributing to world peace & understanding through student exchange.
