

Backgrounds Singers for My Wedding (New Orleans)

Location Louisiana https://www.genclassifieds.com/x-528928-z

Hey Everyone,

So, I'm looking for two singers to accompany me on a dedication to my Husband on our wedding day. I will take a guy and a lady, but I think I prefer two guys just to blind with my tone. The songs are simple, and I'll just need you to understand simple chords. The songs are a choice between 'Lie Under You-Keke Wyatt', Let it Burn-Jazmine Sullivan', and '4 Beyoncé-Toddrick Hall'. You will be compensated respectfully, and you'd have to feel comfortable with just a little moving (dancing that is), though very slight. Please be my age and not too much older, I'm 23. Hope to hear from yall! All the!
