I am an eighteen year old female. I have reliable transportation and I'm always on time. I am CPR AED certified. I am also very experienced. I have had previous babysitting jobs and I babysit for my family often. I started babysitting my younger cousins when they were just a few days old. I will work for however much you can afford. I love being around children and I'm very responsible. I definitely have references if you would like their information! I would love a babysitting position so please contact me right away! You can call, text, or email me! Thank!
