I have a room for rent and this apartment is on the bottom floor and its about 1100sqft, There is a swimming pool and laundry here. The room is basically furnished. You must have a job and you must be a drug free and very tidy person, There is no smoking here, You can smoke outside. How about we talk and see what we can agree to. The max you will pay is 700 a month, That's cleco, charter, water and trash, But there are some things we can split to keep the house running, That will cost mabey 20amonth, That's cleaning supplies and stuff.
