

Deceased Cat seen on Montvale Ave (Stoneham)

Location

Massachusetts

<https://www.genclassifieds.com/x-529288-z>

While driving to work this morning I saw a deceased cat in the middle of the road across from the cemetery and shopping plaza on Montvale Ave in Stoneham. I reported it to the Stoneham police when I arrived at work. The cat had a collar on it and was a tabby or a calico. This is very hard for me to post but someone may be looking for their pet so I wanted to get the information out.
