

ELLIPTICAL (50, USD)

Location **Indiana**
<https://www.genclassifieds.com/x-529727-z>

working ELLIPTICAL

stationary handles, as well as moving arms; display is a little faded, and the heart rate/pulse sensor does not seem to work, otherwise, it's fine.

original price was just under \$400; a steal at \$50!!!

You will need a truck or trailer & help loading it; we cannot!
