Product Details Specifications

Product Details

Featuring wired, wireless, and mobile printing, the Samsung M2830DW Xpress Mono Laser Printer quickly prints professional-quality documents at up to 29 pages per minute.

With built-in Ethernet and Wi-Fi connectivity, the Samsung M2830DW Xpress Mono Laser Printer prints at fast speeds of up to 29 pages per minute. Featuring Samsung ReCP technology, it delivers razor-sharp text and graphics at high resolution. An Eco button and automatic duplexing help you save on toner and paper costs, while the Samsung multifunction printer's NFC technology lets you print wirelessly from your smartphone or tablet with just a tap.

High-speed USB 2.0, Ethernet, 802.11b/g/n Wireless, and Wi-Fi Direct
 Resoluition up to 4800 x 600 dpi
 Convenient automatic duplexing for 2-sided documents
 Prints up to 29 ppm
 Handles up to 12,000 page printer monthly duty cycle
 Comes with 1-year limited warranty

Print Up to 29 Pages per Minute

The Samsung M2830DW saves you time with print speeds of up to 29 pages per minute and automatic duplexing for printing on both sides of the page. ClearType technology for digitally sharp text, fine line detail, and smooth, moving color at high quality. Samsung ReCP technology for all text and graphics and 600 x 600 dpi resolution. The Samsung multifunction laser printer has a resolution of up to 4800 x 600 dpi.

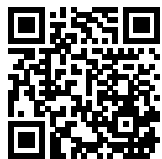

Easy Wired or Wireless Printing
 The Samsung M2830DW can be easily networked using built-in Ethernet or Wi-Fi (802.11b/g/n). You can also print directly from your smartphone or tablet with the Samsung Mobile Print app or Google Cloud. The M2830DW also offers Near Field Communication (NFC) printing. Simply tap any NFC-enabled mobile device to your printer to quickly and easily establish a Wi-Fi Direct connection.

Print Up to 29 Pages per Minute

The Samsung M2830DW saves you time with print speeds of up to 29 pages per minute and automatic double-sided printing. ReCP (Rendering Engine for Clean Pages) technology automatically sharpens the focus of graphics and text, improving overall print quality. Even complex images and small text are delivered in fine detail, thanks to the Samsung multifunction color laser printer's high-resolution print quality of up to 4800 x 600 dpi.

Easy Wired or Wireless Printing

The Samsung M2830DW can be easily networked using built-in Ethernet or Wi-Fi (802.11b/g/n). You can also print directly from your smartphone or tablet with the Samsung Mobile Print app or Google Cloud. The M2830DW also offers Near Field Communication (NFC) printing.
