Location **Missouri** https://www.genclassifieds.com/x-530168-z

Are you tired of taking sub par lessons? Come to the only place in St. Louis that offers a professionl degreed music staff and two locations to serve you!!! At David's Guitar Loft our teachers all have their Bachelor's or Master's Degrees in Music from places like, Southwest Missouri State University, Webster University, Truman State University, University of Wisconsin-Madison, Southern Illinois University Edwardsville, College-Conservatory of Music at University of Cincinnati, Southern Methodist University, Berklee College of Music, and the Guitar Institute of Technology. With this background, we certainly have the knowledge. But, it's more than just that. our instructors have to be able to actually TEACH. We hire educators, not just great players. Our goal at David's Guitar Loft is for the student to learn and develop a lifelong passion for music and their instrument. We teach lessons on guitar, bass, drums, piano, ukulele and voice.

Here, we teach one hour private lessons. The reason is 1/2 hour is not enough time for the student to get a quality lesson, it's too rushed and over before it's begun. In addition to your one hour private lesson you can also attend a free 2 hour jam session every week this is included at no extra fee, where you can apply what you are learning. Unlike some other studios, at David's Guitar Loft, there are NO registration fees when you sign up either!

All Students at David's Guitar Loft are also entitled to a 10% discount on all accessories as well at our retail store.
