I'm relocating from NYC, know absolutely no one here, and would love to find something...furnished/unfurnished...but with decent space. Must have reliable wi-fi. Definitely not interested in a party house or 20 somethings.

MUST BE IN PORTLAND OR WITHIN 1 MILE OF TOWN.

Straight male, 55, writer, runner, don't smoke or drink. Also do not want to be around 420 peeps.

Please reply with SPECIFICS.
