We came home tonight from the Boise Hawks game to find Opie gone and a note on our door. Apparently he got scared by fireworks and when our neighbor tried to get him he ran away (he's a big chicken). We live in the Blackhawk subdivision on Ustick & Middleton Rd. He's a big chicken but looks ferocious. If you've seen him call me

He's micro-chipped but his tags aren't on. We're.
