Golden Doodle Puppies (Meridian)

Location **Idaho** https://www.genclassifieds.com/x-560434-z

We have a few Super cute, 8 week old, F1 Golden Doodle puppies who need to be re-homed. Both parents are AKC registered. The mother is a 3 yr-old, dark red, short haired golden retriever. She is loyal and family friendly. She is smart and trained very easily. The father is an intelligent and friendly silver poodle. The puppies have had their first shots. They are low shedding with short wavy hair. They have been very loved and are cuddly and friendly! Call or text for more information and re-homing.
