Seeking attractive female to shoot a series of adult scenes with, some of which will be used as my professional portfolio. This film reel will be sent to agents and producers as part of auditioning for roles in various adult films.

Someone experienced in adult industry would be great, but not a requirement. Only requirement is that you feel comfortable in front of the camera, are not sexually inexperienced or shy, and that you do your part in making me look good. If you have any interest in a career in the adult industry, then this is a key component in creating your portfolio, and if you meet with any reputable agent they will require you have one before taking you on as a client. If you meet with one of those fake agents you see on common amateur porn sites, they will just convince you that you are suppose to let them film you while they fuck you.

You will be provided your own copy of the raw footage, which you can chose to have edited if you wish to use for your own portfolio. Will consider facial blurring if the best candidate requires discretion. To be considered, please submit photographs of yourself. - preferably nude but bikini and lingerie will also be accepted. Include a list of anything that you would not be willing to do sexually.

Feel free to ask any.
