Male Umbrella Cockatoo. 3yrs old not sexed. Eyes are black. Only asking what I paid for him \$1000. unfortunately I have been given only a few days to find him a home. He comes with his round cage food and all his toys. He is pretty quiet for a big parrot. He is funny smart and would make a great pet to a family with experience with large birds. He is friendly and tame never bitten anyone. Does need training with stepping up. He does it only when he wants too lol. pick up or can meet half.
