16 acres of beautiful hill side wooded land large road frontage on the dead end Barrett Hill road in the quaint country town of union 20 minutes to Rockland and Camden 35 minutes to Augusta. This is the last piece of land before the road ends. Giant rolling blueberry fields behind. The land over looks the St. George River Valley, Sennebec Lake. From your new house you can look straight across the river valley to Appleton Ridge with the most amazing sunsets. This land has been surveyed and soil tested. It is ready for your new home. The land is currently wooded but can be cleared to your specifications We are asking 100,000 for all 16 acres , 4 acres for \$55,000 will do other amounts if you are interested Thanks Jim 542
