I've been looking through ads here for a family pet. Why won't the breeders and people post rehoming fees? We finally decided to go to some shelters this weekend and PetsMarts to look at rescue dogs. It's SO much easier that calling and texting people who only want to meet in a parking lot for CASH....WHO WOULD DO THAT? At least the Shelter and rescue dogs have really had their shots and are already fixed. The price for most the shelter and rescue dogs is LESS that you could pay just to vet the dog! My friend got a purebred Husky from a shelter that is an AMAZING dog!
