Location **Missouri**

Have you ever wondered WHY so MANY of the puppies on Craigslist are being "re-homed" at 6-16 weeks old ? Ever consider that they BUY the puppy from a puppy Mill for \$25-75, then "flip it" to YOU the unsuspecting buyer for \$250?

DID YOU KNOW THAT PEOPLE WHO FLIP DOGS FROM A COMMERCIAL BREEDER ARE REQUIRED TO BE LICENSED BY THE DEPARTMENT OF AGRICULTURE???!!!

If you talk to ANYONE on Craigslist who meets this qualification, PLEASE help the animals of our state by filling out this form for the Department of Agriculture:

<https://apps.mda.mo.gov/webforms/Operation-Bark-Alert>

Help our state get RID of the DIRTY GREEDY dog breeders and flippers who fill our shelters with the victims of their GREED! WE THE PEOPLE voted to clean up Missouri from its reputation of disgusting puppy mills and suffering animals. Help the animals by calling and scheduling a visit to go SEE the puppies, collect information, then report the dog breeders and flippers to the Department of Agriculture. They WANT to hear from you!!!!
