Lab (House springs)

Location **Missouri** https://www.genclassifieds.com/x-560666-z

I have a black lab about 4 mos old male for rehoming! I do not have the time for him and i would be selfish to keep him locked up! Rehoming fee to ensure he gets a good home! He has been dewormed and had his first vet visit and shots! He will come with the food and bowls i have for him, i also have a dog house and crate i could sell for
