Two private rooms for rent in a newly restored antique house. The 2300 SF 8 room house sits on a 1/2 acre, on a quiet street.

The bedroom includes a private 2nd floor porch (pictured) and a 9' long closet with a window and a built-in dresser. Can be furnished. The sitting room includes 2 chairs and a love seat. Sitting room is not pictured because it needs paint. The hardwood floors have been refinished in both rooms.
