

# Krups Coffee amp Spice Grinder (15 USD)

Location **New Jersey**  
<https://www.genclassifieds.com/x-560750-z>

Nothing beats a freshly ground, freshly brewed cup of coffee to start the day.

The classic white color and oval design fit in well with most kitchen decors. The small size (approx 6" high) doesn't take up too much space.

Stainless-steel blades give an even grind, whether you use this grinder for coffee, spices, nuts, or even whole grains.

Used - as is. If the ad is up, it is still.
