

Photographer looking to trade services with blogger (New York City)

Location **New York**
<https://www.genclassifieds.com/x-560819-z>

Fashion and Street based Photographer looking to network and collaborate with fashion and lifestyle based bloggers.

Looking to meet up with and shoot fashion and lifestyle based bloggers on a biweekly basis. Shoot different looks, promote each other over social media.

I am a professional photographer looking to grow my base and brand and help someone with do the same.

I am open to shoot all around the city and can help scouting locations based on looks.

Send a link to blog or portfolio and I will do the same.

Looking forward to making some great work.

Thanks
