Call Now for Your FREE Consultation!

At Rex Marsh Designs we specialize in all phases of both commercial and residential architectural design; whether it is the remodel of an existing building or brand new construction, you can count on us to see your project through from start to finish! Our company excels at cad drafting, 3d designs, 2d and 3d hand renderings, model buildings, permit processing, including construction documents.

Rex Marsh Home Design is a San Diego family owned architectural design and drafting company, offering commercial and residential home design services at competitive rates. Our goal is to turn your visions into reality! We provide the architectural drawings necessary for building permit submittal and construction plan approval.

There is no job too big or too small!

Call us now to set up your free consultation!

We look forward to working with you!
