Kittens (Elgin)

Location **Nebraska** https://www.genclassifieds.com/x-560875-z

I have three kittens 12 weeks old. They are very playful, cute kittens. They have not been declawed or nurtured but they do not use claws when playing. Have been around children of all ages, dogs, and other cats. I have 3 males left and they are \$10 rehoming fee. They have flea and tick collars on and are indoor/outdoor kittens. They are mainly litter trained and are eating solid food. Please text or call me at

Lexus) if you are interested! Thank
